OPERATIONS REPORT

High School rowing is going well; about 10 rowers show up consistently. Middle school rowing – about 8 show up consistently. Adult program is a little lighter than usual, but we did not promote it much.

Pam may have found winter storage – tractor trailer that hasn't been used recently.

Farmer's Market – let Courtney know if we can book a farmer's market on a Sunday coming up.

We have purchased new oars – they are fantastic.

Courtney has been doing an erg session on Wednesdays – usually 2-3 people.

Pam has been working on beautifying the park area, and working slowly on boats, improving the shoes, etc.

UConn women are staying varsity for at least 2 years.

Water levels are high, docks are super-saturated with water and slippery.

Next Mtg: Tuesday 9/12/2021

Rob moved to adjourn. Ainsley seconded. Meeting is adjourned. 7:20PM
