OFFICER'S REPORT(S):

Treasurer's Report - Rob did not have a Treasurer's Report for the meeting, stating that our vendor puts together a report every quarter.

OPERATIONS REPORT:

Pam presented her verbal report. The High School rowing program has wrapped. The girls 4V finished in 3rd place at the Emerson Regatta and a few of the other boats did well. It was a good day for CLCR overall.

All of our fleet is now rigged and the new racks have been adjusted.

The adults have started rowing on the water.

The Town has asked us to move boats while they trimmed trees in the area.

Pam is working with the youth coaches to set up summer programming. We currently do not have enough coaches for the morning sessions.

Bringing the boat trailer with some boats to the farmers market is a possibility at some point this summer. This would be good to community exposure for CLCR. Leslie, Ellie and Jill are willing to help with the farmers market.

The middle school program has wrapped. It went very well. Quads and singles were used. It was a 3 week program. We had 14 kids participate, 12 of which were new. Many of the participants have signed up for the summer program as well.

Pam states that approximately 1/3 of our high school program is made up of Tolland students. She would like to discuss a plan with the Tolland Board of Education regarding the possibility of the Tolland BOE contributing funds to CLCR much like the Coventry Board of Education contributes.

OLD BUSINESS: Leslie asked Steve about the status of the CLCR newsletter. Steve indicated that he will work on it as time permits.

Pam mentioned that the Coventry Lake Advisory Committee wrote an article about CLCR.

Rob moved to adjourn. Jill seconded the motion. The motion was unanimously approved.
